

Certificate of Compliance - EXRAD® Directive 2015/863/EU (RoHS 3)

The RoHS Directive 2011/65/EU restricts the use of certain substances referred to in Annex II of the Directive in electrical and electronic equipment. Champlain Cable Corporation certifies that, except where an exemption under the Annex III to the RoHS2 Directive applies, all the products listed below are compliant with the threshold requirements of the European Union Directive up to and including 2015/863/EU on the restriction of the use of ten hazardous substances in electrical and electronic equipment. This declaration is based in part on supplier information.
