

**Champlain Cable Corporation  
Certificate of Compliance  
with Directive 2015/863/EU (RoHS 3)**

The RoHS Directive 2011/65/EU restricts the use of certain substances referred to in Annex II of the Directive in electrical and electronic equipment. Champlain Cable Corporation certifies that, except where an exemption under the Annex III to the RoHS2 Directive applies, all wire and cable products manufactured by Champlain Cable Corporation are compliant with the threshold requirements of the European Union (EU) Directive up to and including 2015/863/EU on the restriction of the use of the ten (10) hazardous substances (listed in figure 1 below) in electrical and electronic equipment.

**EU Directive Restricted Substances  
Percent Use in Champlain Cable Products**

<b>MATERIAL</b>	<b>%</b>
<i>Cadmium</i>	<i>0</i>
