

CHAMPLAIN CABLE CORPORATION
CERTIFICATE OF COMPLIANCE WITH DIRECTIVE 2015/863/EU (ROHS 3)

The RoHS Directive 2011/65/EU restricts the use of certain substances referred to in Annex II of the Directive in electrical and electronic equipment.

Champlain Cable Corporation certifies that none of the wire and cable products manufactured by Champlain Cable Corporation contain the ten (10) hazardous substances above the threshold requirements listed in the directives 2011/65/EU and 2015/863/EU.

This declaration is based upon information provided to us by the suppliers of the raw materials or components used to manufacture our products. As such, Champlain Cable Corporation makes no independent representations or warranties, expressed or implied, and assumes no liability in connection with the use of this information. In the end, customers are responsible for determining the applicability of specific laws and regulations based on the ultimate individual usage of our products.
