Champlain Cable Named Best Manufacturer in Vermont

Burlington, VT - Champlain Cable is proud to announce that it has been named the best manufacturer in Vermont in the 2023 Best of Business Vermont awards. This prestigious award recognizes businesses that have demonstrated excellence in their respective fields and have made significant contributions to their local communities.

Champlain Cable has been a leader in the manufacturing industry for decades, providing high-quality cables and wires to customers globally. The company has built a reputation for innovation, quality, and exceptional customer service, which has helped it to stand out in a competitive marketplace.

“This is a tremendous accomplishment. It is an honor to be part of all this at Champlain Cable. We are blessed to have such loyal and dedicated people,” said William Reichert, President and CEO of Champlain Cable. “I am proud of all our employees who over the last 68 years have made Champlain Cable the strong company we are.”

Champlain Cable has a long history in Vermont, and the company has always been committed to supporting the local community. The company has created many jobs in the state, and it has been a key contributor to the state's economy.

“We are proud to be part of the Vermont business community, and we are committed to continuing to support jobs and the local economy,” said Reichert. “We believe that our success is tied to the success of our community. Vermont has been our home for our 68-year history and is a great place to live and work.”

Vermont Business Magazine's Best of Business Awards program celebrates the most outstanding Vermont companies across more than 100 business-to-business categories. VermontBiz readers, including state business leaders, are asked to vote for their preferred businesses in a survey that receives over 81,000 votes. The survey covers a range of categories, including statewide and regional winners.
